SPECIAL KA-NEWS

Dear Kanawana Staff Member:

It is not without sadness that I write this, my last letter to you as director of Kamp Kanawana. As of today's date, I have resigned from the Montreal YMCA. I will be assuming a similar post with the Victoria YM-YWCA in mid-March.

Regretably I am unable to contact you all individually. Nevertheless, I express my gratitude for your work, cooperation and understanding through my six years at K.K. I shall always cherish with fondness, the memories of Kamp and you, the staff that helped make it happen.

You may be wondering about K.K. '79. Hopefully the good things that have happened in the past will continue this year. Any camp needs continuity of staff and thus my leaving should not discourage you from applying for a position at Kanawana this summer. With your help, Kamp will continue with much success.

If you are ever in Victoria, do drop by the Y. There will always be a coffee for a visiting Kanawanian.

My best wishes to you all for much peace and joy - now and in your future.

Yours in Kamping,

Derek V. Walsh,
Director.
